

#### **The Future of Commerce**

Challenges and Opportunities in a Changing Retail Sector
Christian Verschueren, Director General, EuroCommerce
APED Congress, Lisbon, 18th January 2012

# The changing environment of retail in the 21<sup>st</sup> Century

- Shift in demographics
- Price-conscious consumers
- More sustainability & health-conscious purchasing

- Cross border expansion
- Technology
- Shift in supply chain

#### **Multi-retail and Cross-channel**

- In-Store vs On-Line
- Generalist vs Specialist
- Large vs Small
- Central vs Peripheral

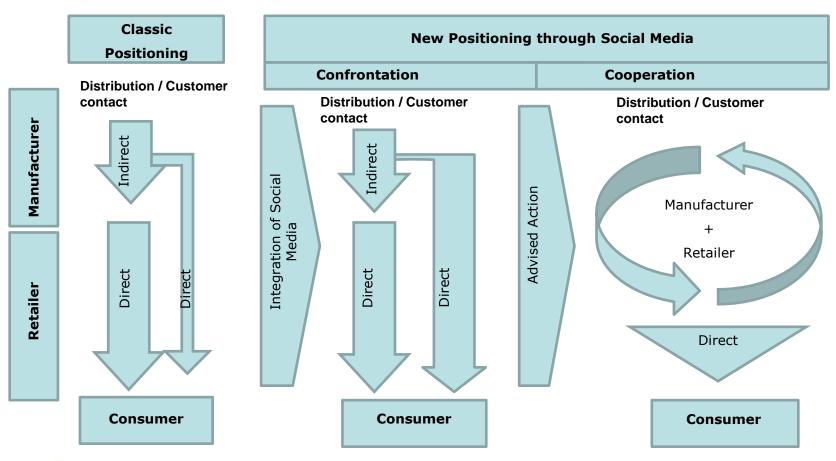

- Greater choice
- Instant consumer knowledge
- Personalised experience

# **Evolution of Retail - Multi-channel retailing**
